

Offer Terms and Conditions:

The following terms and conditions apply to the Energia / Opel Ireland free* smart electric vehicle charger and installation offer, plus 20% discount off Energia green electricity. In the event of any conflict, these terms and conditions shall prevail.

Charger Model shown for illustrative purposes and subject to change.

*Free Charger Offer is subject to standard installation and customer eligibility for €300 SEAI electric vehicle home charger grant¹. Total cost for a standard home charge point installation is €300. Additional charges may apply for non-standard installations. The customer will need to pay upfront for the charger installation and if eligible will receive the €300 grant from the SEAI. As per SEAI recommendations an electrical survey may be required prior to install and will incur an additional cost.

The offer is open to all customers who register a new Opel electric passenger car from 1st June 2020 to 31st December 2024, sourced and registered through the Opel Dealer Network in the Republic of Ireland, and who switch their domestic electricity supply to Energia. The Offer runs until the specified Closing Date, 31st December 2024.

The offer is redeemable through your local Opel Dealer on registration of your new Opel electric car.

Opel Ireland and Energia reserve the right to withdraw the Offer, either generally or in respect of any particular customer, at any time and to vary or amend any element of the Offer at any time without further notice.

These terms and conditions may be varied or amended by Opel Ireland and Energia for any valid commercial, technical or operational reason.

If you enter into the Promotion you agree that we may use your personal details to administer and run this offer.
