

The following terms and conditions apply to the Energia / Opel Ireland free\* smart electric vehicle charger and installation offer, plus 20% discount off Energia green energy. In the event of any conflict, these terms and conditions shall prevail.

- Charger Model shown for illustrative purposes and subject to change.
- Free Charger Offer is subject to standard installation and customer eligibility for €600 SEAI electric vehicle home charger grant<sup>1</sup>. One charger installation is applicable per claimant and no cash alternative is on offer. This offer is not available in conjunction with any other promotional discount or offer. Additional charges may apply for non-standard installations.
- The offer is open to all customers who register a new Opel electric passenger car from 1<sup>st</sup> January 2022 to 31<sup>st</sup> January 2023, sourced and registered through the Opel Dealer Network in the Republic of Ireland, and who switch their domestic electricity supply to Energia. The Offer runs until the specified Closing Date, 31<sup>st</sup> January 2023.
- The offer is redeemable through your local Opel Dealer on registration of your new Opel electric car.
- Opel Ireland and Energia reserve the right to withdraw the Offer, either generally or in respect of any particular customer, at any time and to vary or amend any element of the Offer at any time without further notice.
- These terms and conditions may be varied or amended by Opel Ireland and Energia for any valid commercial, technical or operational reason.
- If you enter into the Promotion you agree that we may use your personal details to administer and run this offer.
- Electricity discount based on Energia standard unit rates. Annual EV Inclusive Cost €2020.61<sup>2</sup> based on average annual usage, 1 year discount on standard unit rates. Includes standing charge, PSO Levy & Carbon Tax. T&Cs & early termination fee of €200 apply. Valid from May 2022, prices subject to change.
- Customers switching their electricity supply to Energia may be required to pay an early termination fee from their current electricity supplier.
