

## **KIA EV9 Offer Terms and Conditions:**

The following terms and conditions apply to the Energia / Kia free home charge point and installation offer with €500 energy credit and a 20% discount off Energia green electricity. In the event of any conflict, these terms and conditions shall prevail.

Charger Model shown for illustrative purposes and subject to change.

\*\*Free Charger Offer is subject to standard installation and customer eligibility for €300 SEAI electric vehicle home charger grant as of 1st January 2024<sup>1</sup>. Total cost for a standard home charge point installation is €300. Additional charges may apply for non-standard installations. The customer will need to pay upfront for the charger installation and if eligible will receive the €300 grant from the SEAI. As per SEAI recommendations an electrical survey may be required prior to install and will incur an additional cost.

One charger installation is applicable per claimant and no cash alternative is on offer. This offer is not available in conjunction with any other promotional discount or offer.

You must pay your energy bill by Direct Debit to avail of the €500 credit. €500 in Energia bill credit will be applied directly to your electricity or gas bill. No cash alternative will be offered. The €500 will not be credited to your account until your 14-day cooling off period has passed. The value of the credit will be used as payment towards your bill until such time as the €500 credit has been used in full. After all credit has been used, full payment of bills will be taken from your account via the Direct Debit details provided at the time of signing up.

The offer is open to all retail customers who purchase a new 241 XCeed PHEV, Niro PHEV, Sportage PHEV, Sorento PHEV, Niro EV, EV6 or EV9 by 30<sup>th</sup> June 2024, switch their domestic electricity supply to Energia. The vehicle must be sourced and registered through the Kia Dealer Network in the Republic of Ireland.

The offer is redeemable through your local Kia Dealer on registration of your new 241 XCeed PHEV, Niro PHEV, Sportage PHEV, Sorento PHEV, Niro EV, EV6 or EV9.

Kia and Energia reserve the right to withdraw the Offer, either generally or in respect of any particular customer, at any time and to vary or amend any element of the Offer at any time without further notice.

These terms and conditions may be varied or amended by Kia and Energia for any valid commercial, technical or operational reason.

If you enter into the Promotion you agree that we may use your personal details to administer and run this offer.

Electricity discount based on Energia standard unit rates. Annual EV Inclusive Cost €2,323.55<sup>2</sup> based on average annual usage, 1 year discount on standard unit rates.

Includes standing charge, PSO Levy & Carbon Tax. T&Cs & early termination fee of €200 apply. Valid from November 2023, prices subject to change.
